### **Second Arrest Made in Cane Bay Burglary**

SUMMERVILLE, SC – Berkeley County Sheriff Duane Lewis announced that a second arrest has been made in a recent Cane Bay burglary on Sanctuary Park Drive.

Aleigh Daille Short has been charged with Misprision of a Felony and being held at the Hill-Finklea Detention Center awaiting a bond hearing.

This follows the arrest of Traevon Jamal Doctor, who has been charged with Attempted Murder, Burglary in the 1st Degree, Possession of a weapon during a violent crime and Possession of a Stolen Handgun.

During the investigation of the burglary and related crimes, it was determined that Short purposefully interfered with the investigation by providing Doctor with a false alibi as to his whereabouts when the burglary took place. The false alibi delayed the investigation and subsequent apprehension of Doctor.
